

# Mandatory Update Information

## How is your adopted horse?

We would first like to thank you for adopting from us and we hope that it was a good experience. We have received many great updates and pictures from some of you, but some adopters have not sent us updates or pictures. Keep in mind that every adopter signed a contract that said they would send updates and pictures at least twice a year. Below you will find a form to help you with this process. Please fill out as completely as possible, including pictures. Use separate forms provided for each horse (if adopted more than one). If you have already sent us pictures within the last 6 months you may wait and send them with your next update. Please mail the Update Form to CANTER, P. O. Box 314, Emmett, MI 48022-0314 or email the information as listed on this form to [gail0625@netzero.net](mailto:gail0625@netzero.net) along with a current picture of the horse.

Over the next several months volunteers from all over the U.S. will be conducting random visits on some of the families and individuals that have adopted from CANTER. If you have any questions concerning this procedure please let us know.

Sincerely, Martha Denver and Gail Hirt
